CLUB SHOTS

■ Good news for our young goalie **Alistair Crook**. He's been told by the specialists that no operation is required for his eyes. We all hope to see Alistair back in action soon.

■ **Brian McLaughlin** is going back to Scotland next Wednesday after a short stint with our club. Brian, a talented player and a true gentleman, has by mutual agreement with the club decided to return home and we wish him and his family all the very best for the future.

■ Just a reminder to all our supporters and soccer fans in general — SBS Television, your official soccer station, gives you all the soccer action three times weekly — Sundays at 10.30 p.m., replaying the "Match of the Day," Monday at 6.00 p.m., highlights of the weekend NSL games, and on Fridays at 6.00 p.m., "Soccerama."

Obviously it is in everyone's interest to ensure that as many people as possible are made aware of these shows to maximise the potential viewing audience, and thus provide the League with a stronger negotiating position with SBS for future years.

■ Let us not forget our dancing girls who are doing an excellent job entertaining our supporters during the club's home games. This beautiful bunch of girls have put a lot of work in preparation for their routine and with the handsome sponsoring of our eternal friends, International Furniture and Electrical, provide the home crowd with a delightful show before the kick off and half time interval. Well done girls and a big thank you.

■ How about this for performance!! Our Under 18 Juniors after 12 games have won 11, drew 1, scoring 60 goals and conceding only 4. That's an average of 5 goals per game. Record?
